

REMARKS/ARGUMENTS

The claims are 1-6 which have been allowed. FIG. 1 has been amended to show the cooler process gas 10 and FIG. 2 has been amended to designate the connecting flange with the reference numeral 26. The specification has been amended to refer to these reference numerals.

As the Examiner has indicated that the application is in condition for allowance except for those formal matters set forth on page 2 of the Office Action, which have been corrected herein, it is respectfully submitted that the application is now in condition for allowance. A prompt notice of allowance is respectfully requested.

Respectfully submitted,
